Sub:- Audit - Port Funds - Restoration of full scale audit - Revision of ---- fee - Proposals Submitted.

A copy of this Office Circular L.F.No.9940, dated 24-2-1954 restoring full quantum of audit in respect of Port Funds from 1953-54 (copy of which was communicated to the State Port Officer) placed below may be sent to the Finance Department for information.

MINOR PORT FUNDS - WHICH INCLUDE LANDING AND SHIPPING FUNDS UNDER THE CONTROL OF THE STATE PORT OFFICER; OTHER THAN COONDAPUR, AZHIKKAL, CANNANORE, BADAGARA AND BAINDUR LANDING AND SHIPPIN FUNDS AND COONDAPUR, AZHIKKAL AND KOZHIKODE PILOTAGE FUNDS.

2. The original rate of audit fee fixed for full audit of the above Port, etc., funds under the control of the State Port Officer in the erstwhile composite state was Rs.5,714/- and that for the State Port Officer's Stores was Rs.100/- vide G.O. No.Ms.7, Finance dated 7th January 1937. This was reduced to Rs.3,000/- when the quantum of audit was reduced vide G.O.Ms.No.633, Finance dated 23rd May 1945. With the upward revision of scales of pay and dearness allowance, the audit fee for reduced quantum of audit was enhanced to Rs.5,000/- in G.O.Ms.No.1397, Finance (Accounts) dated 27th December 1949. Particulars of the establishment employed and the time taken for the audit were called for to see what revision is needed in the amount of audit fee with the restoration of full quantum of audit in respect of the institutions in the residuary state only. On the basis of the data obtained, the cost of audit works out to Rs.6,038/- or Rs.6,000/-

3. The amount of Rs.6,000/- includes a sum of Rs.500/ which is the actual cost of the audit of the Mangalore Minor Port Fund and Landing and Shipping

-2- Contd (Y)

Fund Accounts. Since a Port Trust has been constituted at Mangalore from 1-5-1954, audit fee will have to be recovered from the Mangalore Port Trust Funds from 1-5-1954 and the consolidated audit fee of Rs.6,000/- in respect of the minor Port Funds under the control of the State Port Officer will have to be reduced by Rs.500/- from 1-5-1954, that is the consolidated audit fee will be Rs.5500/- from 1-5-1954.

4/ In regard to the Mangalore Port Trust, the audit fee of Rs.500/- may require revision if the transactions after 1-5-1954 warrant it. The time taken for audit of 1 year accounts after 1-5-1954 will be examined and Government will be addressed to enhance the audit fee of Rs.500/- if necessary.

5/ The above facts may be brought to the notice of the Finance Department and they may be requested to accord sanction for fixing the audit fee for full audit of (1) all Port, etc., funds under the control of the State Port Officer, Madras including the audit of the State Port Officers Stores at Rs.6,000/- per annum upto 30-4-1954 and Rs.5,500/- per annumm from 1-5-1954 and (2) of the Mangalore Port Trust Funds at Rs.500/- per annum from 1-5-1954.

(but excluding Coondapur Azhikkal, Cannanore, Badagara and Baindur Landing and Shipping Funds and Coondapur Azhikkal and Kozhikode Pilotage Funds for which separate audit fee has been prescribed by Government);

Sub: Audit - Local Fund Audit Department - Port Fund Restoration of full quantum of audit from 1953-54 -

Ref: From the Examiner of Local Fund Accts.U.O.No. 53-1, dated 10-5-1954.

Please see the circular from the Examiner of Local Fund Accounts to all District Inspectors of Local Fund Accounts on p.1 c.f. and his proposal to Government for fixing the audit fees in respect of the Port Funds under the control of the Port Officer, with certain exceptions, on pp.3-4 c.f.

2. The original rates of audit fees for auditing the different institutions, the accounts of which are audited by the Examiner, were fixed in G.O.Ms.No.7 Fin. dated 7-1-1937. Consequent on the reduction in the scope of the Local Fund Audit ordered in G.O.Ms. 292 Finance, dated 1-6-1944 the fees for auditing the accounts of local bodies and other miscellaneous institutions were reduced - vide G.O.Ms.No.633 Finance, dated 23-5-1945. On the recommendation of the Retrenchment and Reorganisation committee for the revision of the rates of audit fees levied in respect of institution audited by the Examiner, to compensate the Government for the extra cost on establishment engaged on conducting the audit consequent on the upward revision of the scales of pay, grant of enhanced dearness allowance etc. the question of raising the audit fees was examined in consultation with the Examiner and it was finally decided to raise the rates only in respect of two institutions, viz., (1) Mrs. A.V.N.College, Visakhapatnam and (2) Other Minor Port Funds (other than Coondapur landing and shipping fund, Azhikkal and Kozhikode (Beypore) Pilotage Fund and Tuticorin Port & Port Trust Funds) - vide G.O.Ms.No.1397 Finance, dated 27-12-1949. In respect of other items, the rates ordered in G.O.Ms.No.633 Fin. dated 23-5-1945 continue.

Now the Examiner of Local Fund Accounts has restored full scale audit from the 1st April 1953 in respect of

the accounts of:

(1) The Minor Ports Funds under the State Port Officer.

(2) The Coondapur Landing and Shipping Fund and Coondapur Azhikkal and Kozhikode (Beypore) Pilotage Funds and Badagara Landing and Shipping Funds and

(3) The Tuticorin Port and Port Trust Funds.

He has also specified the rates of audit fees that will be levied from 1953-54, in respect of the above items. The following statement shows the full scale audit fees sanctioned in G.O. 7 Finance, dated 7-1-1937, the subsequent reduction ordered in G.O.633 Finance, dated 23-5-1945 and the rates now restored and proposed by the Examiner:-

Name of the Institutions.	Rate of Audit Fees. Sanctioned in G.O.7 Fin.dated 7-1-1937.	Sanctioned in G.O.633 Fin.dated 23-5-1945.	To be levied from 1953-54.
(1)	(2)	(3)	(4)
Port Funds under the control of the State Port Officer which include Landing and Shipping etc. Funds other than those in items 3 and 4 below.	Rs 5,814 (for the composite state).	Rs 3,000	To be fixed by the Govt. for the present Madras State.
(2) State Port Officer's Stores.	[Included in item (1) above].		
(3) Coondapur Landing and Shipping Fund and Coondapur Azhikkal and Kozhikode Pilotage Funds and Badagara Landing and Shipping Fund.	0.4% of total receipts and expenditure.	0.2% of total receipts and Expenditure.	0.4% of total receipts and expenditure.
(4) Tuticorin Port Fund and Tuticorin Port Trust Fund Accounts.	Rs 1,140	Rs 570/-	Rs 1,140

3. As regards items (3) and (4) above, no remarks are called for, as the Examiner is competent to restore full audit as and when necessary and he has issued orders-pl c/f one rate of fee for full audit prescribed in ¶ 37 need not be changed now.

In respect of items (1) and (2) above, please see his proposals on pp.3-4 c.f. The original rate of audit fee fixed for the items was Rs 5,814, which includes Rs 100 for item (2). In G.O.Ms.633 Finance, dated 23-5-1945 this was reduced to Rs 3,000. Subsequently in G.O.Ms. No.1397 Finance, dated 27-12-1949 the rates was enhanced to Rs 5,000. Now the Examiner has proposed that the audit fee for the items (1) and (2) above in respect of the

institutions in the present Madras State ~~under~~ may be raised to Rs 6,000. He has stated that the rates has been recommended after obtaining particulars of the establishment employed and the time taken for auditing the accounts in respect of the said institutions. For orders, whether the proposal of the Examiner may be accepted.

4. He has also stated that the amount of Rs 6,000 includes the sum of Rs 500/- which is the actual cost of the audit of the Mangalore Minor Port Fund and Landing and Shipping Fund Accounts. Since a Port Trust has been constituted at Mangalore from 1-5-1954, audit fees will have to be recovered from the Mangalore Port Trust Funds from 1-5-1954 and the consolidated audit fee of Rs 6,000 in respect of the Minor Port Funds under the Control of the State Port Officer will have to be reduced by Rs 500/- from 1-5-1954 i.e. the consolidated audit fee will be Rs 5,500/- from 1-5-1954. The proposal of the Examiner may be agreed to. The consolidated fee of Rs 5,500 includes Rs 100/- for item (2) on p.2 above.

...e change may be given effect to from 1.4.54 for convenience
17/6/54

5. In regard to the Mangalore Port Trust Fund, the Examiner has stated that the audit fee of Rs 500/- may require revision if the transactions after 1-5-1954 warrant it. He will submit necessary proposals for enhancement of the fee of Rs 500/-, if necessary, after ascertaining the time taken for auditing one year's accounts ~~from 1-5-1954~~. No remarks are called for.

6. Subject to approval, a draft order is submitted. ~~For~~ P.W. may see before ~~issue circulation~~ issue.

The C.F. and the notes from page 1 onwards may be perused. The proposal

in this file is to fix the rate of fees for full audit of the Accounts of the Port and Marine Funds by the Examiner of Local Fund Accounts from the official year 1953-54. Based on the actual cost of Rs 6,038/-, the Examiner has proposed that the rates of fees for full audit per annum may be fixed at Rs. 6000/- for the period from 1.4.53 to 30.4.54 for the audit of the Port and Marine Funds including certain Funds for which separate fees have been prescribed. For the period from 1.5.54, he has suggested a fee of Rs 5,500/- for the audit of Port and Marine Funds including certain special funds, and Rs 500/- for the audit of the Mangalore Port and Port Trust Funds.

Please see 'A' on p 4

Pl see para 5 on p 4 c/f

Finance Deptt. have agreed to the proposal of the Examiner subject to the modification that the rates of fees proposed by the Examiner for the period from 1.5.54 may be given effect to from 1.4.54 for the sake of convenience.

Para 4 on p 3 ante

It is submitted that as the Mangalore Port Trust Fund has been constituted only from 1.5.54, it appears unnecessary to levy and charge audit fees from the Fund for the period from 1.4.54 itself. It is also submitted that no inconvenience will be caused by calculating audit fees at a particular rate for the period from 1.4.54 to 30.4.54 and at a different rate for the period from 1.5.54 onwards. It is therefore for consideration whether this Deptt. may suggest that the fees as proposed by the Examiner may be accepted. In this connection a revised

with effect

x 'K' on p 1 of (4) (G.O. Nos. PW. 546 PWG 162.56.)

draft order is put up at (R) for the consideration of Finance Dept. While putting up this draft, the orders issued in G.O.Ms.No 450 Fin. dt 27.3.54 have also been taken into account (Please see in this connection para 5 on p4 cf.) As the fees proposed by the Examiner are based on the actual cost of audit worked out on the basis of the establishment employed and the time taken for the audit, it appears unnecessary to consult the S.P.O. in the matter.
